NOVEMBER ENCOUNTER

God's Girls News

November Encounter Sunday the 15th 6P-8P

A evening of
*Thanks and
Giving.*

Are you going through a trial, are you soaring on eagle's wings? The word tell us that our circumstances should not affect our thankfulness. In fact it says that in everything we are to "Give Thanks".

This might be the break through you need or the very thing God is asking you to do.

So let's be obedient to God's word and do exactly that on Sunday night Nov 15th.

This night we will be providing vouchers for a meal for Thanksgiving for those that are in need and an opportunity for others to be a part of this blessing by giving toward these meals.

So ladies if you are in need of a Thanksgiving meal be there and if you want to bless another woman with a Thanksgiving meal be there to do that as well.

There will also be gifts for everyone that attends

The music that night will be all about "thanks".

So don't let the enemy keep you from experiencing a night with your Father, a night of *Thanks and Giving.*

Remember there is valet parking and child care for children under six.

This night is for all women from 7 - 107.
